

Bites, Stings, and Arizona Desert Poisonings For the Desert Enthusiast

Sponsored by:
**The American College of Medical Toxicology
and
Medical Toxicology Foundation
with
Banner Good Samaritan
Poison and Drug Information Center**

**Saturday March 13, 2010
1:30 – 5:00 pm**

**Hyatt Regency Scottsdale Resort & Spa at Gainey Ranch
Scottsdale, Arizona**

Specialists in the treatment of venomous bites and stings, as well as other desert poisonings, will debunk myths and discuss the consequences and medical management of human exposures.

This series is intended for persons with an interest in or occupation involving the wildlife and plants of the Arizona desert, and is offered free to the public.
