*XX denotes programs which have trained a fellow from this specialty in the past 5 years, including combined such as EM/IM, IM/Peds

**For programs listed as Yes, please inquire to the program regarding their acceptance of international applications as there may be some constraints such as visa type, etc.

***Shift/Service Requirement - There is an additional clinical requirement outside of toxicology (for example ED shifts) incorporated into the program, however please note that at some programs additional compensation is provided for this requirement.
